### Code of Ethics and Conducts Charter:

TZLPGA's Governing Board agreed to set Principles of Business Ethics and Conducts to guide and bind TZLPGA's members. These Principles are.

1. Each member shall pay the yearly membership fee at the reception of the invoice.
2. Each member shall abide by all applicable laws, regulations and rules governing LPG business operations.
3. All members shall behave ethically in the market to ensure there is discipline, professionalism, safety, and a level playing field amongst market players.
4. Members shall not engage in LPG illegal refilling malpractices and shall demonstrate to un-cover and report to Authorities and Association any such identified practices including taking appropriate deterrent actions against whoever is involved in those malpractices.
5. Each member shall exercise a high level of Health, Security, Safety, Environment and Quality Assurance (HSSEQ) culture in conducting LPG business to safeguard people, environment, assets, and reputation of the LPG industry.
